

FLORA

ROSÉ

Terroir: Los Arboles, Tunuyan, Uco Valley

Altitude: 4000' elevation

Varietal: 100% Pinot Noir

Vinification: The Pinot Noir has been harvested early. The grapes macerated for 4 hours in the press. Once enough colour has been extracted from the skins, the clear juice is fermented in stainless-steel tanks for 25 days. No malolactic fermentation neither oak aging.

Tasting Notes: Pale pink color. It shows delicate and fresh red fruit aromas accompanied by floral notes. In the palate it expresses a fresh and crisp acidity alongside herbal and fresh red forest fruit.

Production: 12000 bottles

Alcohol: 13%

Our Passion for innovation has no limits, we present Flora, the first Rosé wine of Bodega Teho. A first wine that presents the new brand that we have been working within Zaha in order to please all the wine lovers out there, eager to discover new sensations.

Flora, the flower deity,

Flora represents the eternal rebirth of life's energy. Flowers, seeds, gardens and honey are her spring gifts.

This way we celebrate the arrival of spring, the budding of the first flowers in our vines, that will evolve into fruit and later on wine...

In Flora's kingdom it is spring all year long.
